# ABOUT GOLDEN VIE INC

---

Golden Vie Inc is a 501 (c) 3 non-profit organization that aims to provide philanthropy services in innovative and unique ways. Our mission is to give back to Haitian Students in South Florida. We target Haitian Immigrant and Haitian American high school students. We represent students who are low income and first-generation college students. We collaborate and partner with Haitian businesses and Haitian entrepreneurs to provide resources through our scholarships, events, apparel and service projects.

# OUR SCHOLARSHIP PROGRAM

Our scholarship provides financial assistance to Haitian students pursuing a college degree. Golden Vie Inc will be awarding a recent high school graduate a \$1,000 scholarship and a laptop. This scholarship program is targeted to low-income Haitian high school graduates who require additional financial assistance for college.

Golden Vie started providing scholarships in 2019 to assist Haitian scholars in their first year in college. Since 2019 we have assisted four incoming freshmen. The graduate must be a South Florida resident preparing to attend an accredited 2 or 4- year institution with a 3.0 gpa or above.

We are accepting sponsors to reach the goal amount of \$1,000 of the Golden Vie Inc Scholarship. Being a sponsor can help a low-income high school graduate in the Haitian Community pursue a higher education. In return, we will advertise your business on our platforms, in appreciation of your generosity. We hope we can count on you help to assist an incoming college freshman in our community.
